Product/Process Change

Product Termination

Internal Update

Description and Purpose of Change(s):

Increase maximum height from 0.400" [10.16mm] to 0.410" [10.41mm] to eliminate the coil press operation that is necessary to meet 0.400" maximum height. Change is being made to remove process that may negatively affect the long-term reliability of this part.

Impact on Form, Fit, Function, Quality or Reliability:

Height may impact fit and removing coil press operation should improve reliability.

Changes will be implemented on all product starting with date / date code: 1706 .

The following order (s) may be affected by the above change (s) being made.
